BOOKING NOTES

01 A 50% non-refundable deposit and signed service agreement reserve the production date. The remaining balance is due before unwatermarked final delivery.

02 Package revisions must be submitted as one consolidated set of notes within 7 calendar days of receiving the review cut. Additional revisions are billed at the posted editing rate.

03 One reschedule may be transferred with at least 72 hours' notice. Changes inside 72 hours may incur a $150 rescheduling fee plus non-recoverable third-party costs.

04 Package prices cover the listed scope. Location fees, permits, talent, wardrobe, makeup, props, special equipment, and applicable taxes are quoted separately when needed. Travel outside Metro Atlanta, GA is subject to additional travel fees based on distance and production requirements.

05 First-draft timing begins after required assets, approvals, and selections are received. On-site filming coverage includes equipment setup, lighting and sound checks, location moves, scheduled breaks, and breakdown. Allow 3-5 business days per revision round after consolidated feedback. Final timelines depend on project scope and current scheduling; rush service is subject to availability.

06 Final approved deliverables transfer to the client after full payment. Qbase retains the right to display completed work in its portfolio, website, social media, and promotional materials, subject to confidentiality and release requirements in the signed service agreement.
